

Banbury Tennis Leagues

On 28th March 2013 the Match Secretaries of the three Banbury Tennis Leagues were invited to participate in a survey with the following question:

Should we extend the completion date for Winter and Floodlit Leagues by a further week?

The survey was sent to 16 people, 11 of which responded by the closing date.

The results are as follows:

**Q3. Should we extend the completion date for Winter and Floodlit Leagues?
Yes 8 No 3**

The deadline will therefore be extended until the 19th of April for Floodlit League and the 21st of April for the Winter League.

It should be pointed out that these changed dates risk conflicting with the Summer League so:

1. teams using other club's facilities may not find court availability
2. a winter or floodlit match must not take precedence over the summer matches in any way (e.g. court time/availability or player time/availability)

Thanks to those who participated.

Nick Adams
Secretary – Banbury and District Tennis Leagues
